News from Mr. Carpenter

We are in our final month of school with anticipation of summer upon us. The teachers and students are working hard and are counting down the days. Educating our children does not stop just because school is over. We must continue to read with our children and play learning games to maintain the growth achieved during the school year. We are all responsible for the education of our children. If you have questions on what you can do educationally with your child over the summer please call your teacher for suggestions. Learning is and should be fun!

The second grade classrooms put on their annual "Chalk on the Walk" on May 11th in the front of the school. Please come and see these beautiful works of Art. Thank you to Mrs. Leslie Wilkerson for spending time with the second grade classes on this project. The Kindergarten classes put on their Mothers Day Tea program that relates to our Language Arts standards. Thank you to all the families who attended and for being there for the little ones. The week of April 18, we celebrated Right to Read week. The students also planted flowers and trees during the week for Earth Day.

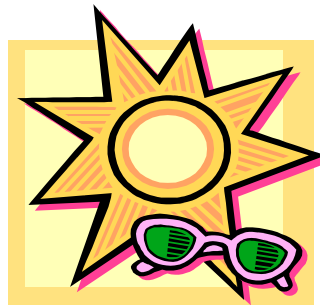

Each day, the students had different environmental topics that were discussed and clothing worn as part of Earth Day. Our top sellers in our annual Zappa snacks fund raiser rode in a limo to McDonalds with Mr. Carpenter and had lunch. Thank you to Mrs. Debbie Brinsey, Mrs. Frederick, Mrs. Hartman and Mrs. Ozanich for helping at McDonalds with the children. Mrs. Debbie Brinsey coordinated our annual fund raiser which provides the students at Bascom with many academic enrichment activities as well as funding field trips. The other students who sold at least three items were able to throw water balloons at Mr. Carpenter during our assembly. We had over 200 students throwing balloons fun was had by all. My entire staff and I would like to say "THANK YOU" to all the parents for working with us to ensure your children's education. Education is a TEAM concept which means: Together, Everyone, Achieves, More. Have a great summer.

Important Dates

- 5/27 2nd grade Field Trip
- 5/27 K graduation
- 5/30 No school
- 5/31 K Field Trip
- 6/1 Student's Last Day
