### A MESSAGE FROM THE PRINCIPAL

Dear Parents / Guardians:

This is the final newsletter for the 2010-2011 school year. State Testing (OAA) begins May 2 and ends May 4. Student attendance and timeliness are very important. Testing will begin at 8:00 and end around 10:30ish Monday through Wednesday. Students arriving to school after 8:00 a.m. will NOT be permitted to test on that day. I need students here, on time, well rested and fed. It is that important. May is a very busy month in every district. There are numerous field trips and various activities that are school and student centered. **This year's report cards will be mailed home.** Have a safe, fun summer and I will see most of you in August. Look for next year's school calendar on the LaBrae website when it is available.

*Mr. Martin Kelly, Principal*

### STATE TESTING SCHEDULE:

Ohio State Testing will begin on May 2 to May 4. Monday is Reading, Tuesday is Math and Wednesday is 8th grade Science. Each test will take 2 1/2 hours. Make up tests in be May 5 and 6. *Attendance is extremely important.*

**Important**
